

## New York State Fossil

**Eurypterid**  
*Eurypterus remipes*  
Silurian period  
432-418 Mya

## Buffalo Geological Society, Inc.

The society was originally formed on February 2nd, 1938 as the Geological Section of the Buffalo Society of Natural Sciences. Dr. Irving G. Reimann, Curator of Geology at the Buffalo Museum of Science was the first president.

### Statement of Purpose

The purpose of this Society shall be to engage in and encourage the study of Geological Sciences, the Lapidary Arts, the collection of fossils, minerals, and rocks, and to promote exhibits and sponsor excursions and field trips for the aforementioned purposes.

COME JOIN US!  
It's FUN and EDUCATIONAL!
